(4)	Conversely, segments of the population had a feeling that Djilas was acting either independently or that his expressions might represent the viewpoint of a few top Marxists who placed the country's welfare above party lines. Djilas may have had the sympathy of a few top men who deserted him when it was realized that he had transcended the limits of party flexibility.	25X1 25X1
	that he had transcended the limits of party flexibility. the more doctrinaire Communists in Yugoslavia have been left in a state of animated suspension for they have been accustomed to seeing self criticism in the Communist bureau- cracy of the USSR.	
(5)	Communist officials of the rural areas,	25X1
	appeared to be in conformity with Djilas; however, once Djilas was purged the same officials followed the Belgrade pattern and quickly condemned him.	25 X 1
(6)	in mid-1954, the whereabouts of Djilas was	25X
	unascertained It was be- lieved that he was either dead or in solitary confinement. There	25) 25X
